AYDR'S Ague Cure

for you speeps come or Intermittent Fever or Fever and Agu Remittent Fever, Chill Fever, Dun Ague, Periodical Headache, or Billo Headache, and Billious Fevers; inde-for the whole Class of Diseases orig nating in biliary derangement, causeby the Malaria of miasmatic countri No one remedy is louder called for by the consistes of the American people than a sure a safe cure for Fever and Ague. Such a reme see are now enabled to offer, with a perfect contract that it will

until it will eradicate the disease, and summer, founded on proof, that no harm to from its use in any quantity. assurance, sourced on proof, that no larm consider from its use in any quantity.

That which protects from or prevents this do order must be of immense service in the count attest where it prevents. Prevention is betting cure, for the patient escapes the risk which must run in violent attacks of this bale distemper. This "Cunn" expels the minimate policin of Fuven and Acus from texatem, and prevents the development of a disease, if taken on the first approach of its promitter symptoms. It is not only the lemminator of the provents the county of the lemminator of the provents the county of the lemminator of the provents the development of the provents t disease, if taken on the first approach of its promiting symptoms. It is not only the learned very set discovered for this class of coplaints, but also the cheapest. The large quity we supply for a dollar brings it within seach of every body; and in bilious distriction of a second may be described by the force and protection. It is hoped this price will ple it within the reach of all—the poor as well as rich. A great superiority of this remedy or

Fever and Agus is not alone the co of the minematic poison. A great variety of corders arise from its irritation, among which Neuralgia, Rheumatism, Gout, Headacha, Blibness, Toothache, Earache, Catarrh, Astin Palpitation, Painfal Affection of the Spio Hystorics, Pain in the Bowels, Colic, Paraly and Derangement of the Stomach, all of white sheat originating in this cause, put on the integral of the Stomach, and the integral of the Stomach, all of white the originating in this cause, put on the integral of the Stomach, and the stomach, and the stomach of the Stomach. ble protection to immigrants, and persons tra-cling or temperarily residing in the mularic districts. If taken occasionally, or saily, wh expected to the infection, that will be excret-from the system, and carmot accumulate in saficient quantity to ripen into disease. Hence is even more valuable for protection than en-and few will ever suffer from Intermittents, they avail themselves of the protection this re-ody affords.

Ayer's Cathartic Pills FOR ALL THE PURPOSES OF A FAMILY PHYSIS

their action can rarely withstand or evade them. Their penetrating properties search, and cleaned in liquorate every portion of the human or sanism, correcting its diseased action, and is storing ins healthy vitalities. As a consequence of these properties, the invalid who is bowedown with pain or physical debility is astonished to the his health or energy restored by a remed at once so simple and inviting.

Not only do they care the every-day complaints of every body, but also many formished he and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their care and directions for their use in the following complaints: Configures, Hearthura, Hendache arising from showlered Stomach, Nauco, Indigestion Pain in and Morbid Inection of the Bowell, Flat sleevy, Loss of Appettle, Joundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled Dealers with some other pill they make more profit on. As for Ayri's Plans, and take nothing else.

Ayer's Cherry Pectoral

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consump-tion, and for the relief of Consumptive Patients in advanced stages of the Disease.

So wide is the field of its usefulnes, and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desporate diseases of the lungs by its use. When once tried, its superiority over every other medicine of its kind is to apparent to escape observation, and where its virtues are known, the public no longer lesistate what antidote to employ for the distressing and dangerous affections of the pulmonary organithat are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained richeds by every trial, conferred benefits on the afflicted they can never forger, and produced
